✓	QUANTITY	ITEM
CLOTHING (NO COTTON!)		
<input type="checkbox"/>	2-3	Mid layer synthetic top (example: fleece jacket, polyester sweatshirt for layering)
<input type="checkbox"/>	1	Outer layer winter jacket/parka Temps will be well below freezing. Should be well insulated and waterproof
<input type="checkbox"/>	2	Long sleeve shirt Moisture-wicking, not cotton.
<input type="checkbox"/>	1	Short sleeve shirt Moisture-wicking, not cotton.
<input type="checkbox"/>	2	Underwear
<input type="checkbox"/>	1	Base Layer Long underwear Bottom
<input type="checkbox"/>	1	Base Layer Long underwear Top
<input type="checkbox"/>	1	Outer layer winter pants Insulated ski/snow pants for outdoor cold temps. Should be water resistant if not water proof
CLOTHING ACCESSORIES		
<input type="checkbox"/>	2	Hat Winter weight wool or synthetic hat to keep head/ears warm. Bring an extra for backup
<input type="checkbox"/>	1	Balaclava/Neckwarmer Can be pulled over face to help with warmth. Fleece or insulated polyester
<input type="checkbox"/>	2	Gloves or Mittens. Preferably mittens Winter weight, insulated and waterproof. Bring two pairs in case one gets wet or lost. A pair of thin liner gloves to wear inside the winter gloves/mittens is helpful for extra warmth/comfort
FOOTWEAR		
<input type="checkbox"/>	1	Pair of winter boots Well broken-in and comfortable for cold temperatures and wet conditions. Must be <u>insulated and waterproof</u>
<input type="checkbox"/>	1	Pair of sneakers/camp shoes
<input type="checkbox"/>	2	Pairs of lightweight liner socks (NO COTTON)
<input type="checkbox"/>	2	Pairs of heavyweight winter socks (NO COTTON)
PACKS / BAGS		
<input type="checkbox"/>	1	Large internal or external frame backpack Internal volume min. +/- 4000-4500 cu. in. Will be transported in troop trailer.
<input type="checkbox"/>	1	Small daypack For carrying supplies while outside during the Derby
<input type="checkbox"/>	3 or 4	Gallon-sized ziploc bags For organizing and keeping clothing dry
<input type="checkbox"/>	2 or 3	Stuff sacks For organizing clothing and gear
SLEEPING GEAR		
<input type="checkbox"/>	1	Sleeping Bag We will be sleeping indoors so it does not need to be a low-temperature rated sleeping bag. There will be a fire but it will probably still be chilly inside. A 30 degree bag is recommended
<input type="checkbox"/>	1	Sleeping Pad Optional. Inflatable or closed-cell foam. We will have cots but a pad on top of the cots is more comfortable and insulating.

MISCELLANEOUS EQUIPMENT		
<input type="checkbox"/>	1	Mess Kit Contents: Plate, bowl, mug/cup, spoon, fork, knife (spork combos are also acceptable). No glass.
<input type="checkbox"/>	2	Reusable Water Bottles Should be 32 ounces or more. No glass.
<input type="checkbox"/>	1	Pocket Knife Should be sharp and clean. Must be folding -- no fixed-blades allowed.
<input type="checkbox"/>	1	Matches/Lighter Should be packed in waterproof container
<input type="checkbox"/>	1 or 2	Headlamp w/ extra batteries Backup flashlight is optional.
<input type="checkbox"/>	1	Compass Need for orienteering station
<input type="checkbox"/>	1	Toothbrush and Toothpaste Travel-size toothpaste is optimal.
<input type="checkbox"/>	1	Camp Towel Quick-drying (not cotton) and small.
